Roadmap to Wellness

The 15th Annual GCCN Conference is the premier educational and networking meeting for Georgia's free and charitable clinics, their safety net partners and advocates. This year's conference will focus on providing professional development and insight on operational and clinical topics that provide a path to *wellness* and *good health* for your organization, your volunteers and staff, as well as innovative programs and best practices for patient care.

This year's attendees can expect to learn, share, and network with peers from across Georgia. The work of caring for the hundreds of uninsured in your community can seem overwhelming, but every day others like you tackle the challenging realities head on, one patient at a time. Join us on the journey to good health and wellness.
